Title of Session SAFETY PLANS: PLANNING FOR STAFF SAFETY

Description This workshop will give participants an opportunity to reflect on procedures for working safely with students who may present a risk of injury to staff. During the course of this day, participants will: 1) examine ethical issues in working with students, 2) review key principals of behavior, 3) become more familiar with Work Safe regulations and procedures and, 4) learn or review how to write a Safety Plan. In addition, participants will be given the opportunity to write a Safety Plan or review one that they have previously written.
