

BE A VENDOR AT THE...

2018 CATHOLIC EDUCATORS' CONFERENCE

For 38 years, companies that support the Catholic Independent School Vancouver Archdiocese (CISVA) have been participating in the Catholic Educators' Conference. Join dozens of companies, non-profits and educational institutions with products and services to support Catholic educators from 50 Catholic schools in the lower mainland as well as other schools from across the province.

This is your opportunity to meet and interact with over 1300 teachers, administrators, education assistants and current and prospective customers when you exhibit at the 2018 Catholic Educators' Conference. An exhibit space provides a perfect opportunity to meet with current customers and create new ones as well as provide on-site demonstration of your latest products.
